Guidelines for Applicants/Brokers

1. All Applicants are encouraged to apply during the allowed time frame. Please note, all applications are due before Closing. In the event due to rare/special circumstances, applications will be viewed up to 31 days after Closing. Please call the TAR Office with any questions.
2. We request applications due at least 28 days prior to the proposed closing date for review at the Board of Directors meeting.
3. Applicant should be a person who does not own a dwelling and has been a resident within the local region served by the Telluride Association of REALTORS® for at least 8 months. If you have owned in the past, please fully explain the details.
4. Priority is given to the first-time homebuyer. Unit must be a single-family residence (condominium, town home, mobile or manufactured), must be owner-occupied and within the local region served by the Telluride Association of REALTORS®. Grants will not be given on land purchases. An applicant can apply for a grant during construction but will not receive the funds (if granted) until they receive their C/O. If additional funds are pre-approved, then at time of CO the additional funds will be presented to the applicant. Priority will be given to applicants that are **either** employed full time within the Telluride R-1 School District boundaries or live within the R-1 School District boundaries.
5. Single Family residence purchase limit of \$900,000.
6. Applicant shall have exhausted all other options for funding, including, but not limited to the following:
 - Use of available nonessential assets and/or cash on hand encouraged.
 - Gifts or money given by a parent or other relative that need not be repaid.
 - Special financing options like a 203(k) or other Community Home Buyer's Programs.
7. Program is limited to moderate income guidelines as follows:
 - Maximum income shall be \$131,500/year for single-income households OR \$187,500/year for multiple-income households. Applicants **over** this limit will be reviewed on a case-by-case basis due to the wide range of values in our area.
8. TAR First Time Homebuyers Assistance approval shall be valid up to 180 days. Applicant may file an extension if closing date is extended. The Title Company will distribute funds from the Telluride Association of REALTORS® once the applicants have officially closed.

9. Applicants must authorize the lender to send the applicant's loan application and good faith estimate to the First Time Homebuyers Assistance Fund Committee.
10. Applicant needs to submit a personal letter explaining the reason for the request.
11. Eligibility is not guaranteed. Availability of funds is limited and funding will be on a first-come, first-served basis as decided by the committee. If any of the applicants have previously been awarded by the FTHBAF Program, they must state on the Application and Request Letter of the full and current situation.
12. If applicant is granted the funds, applicant will be required to write a letter to both the Daily Planet and the Telluride Watch expressing thanks to the Telluride Association of REALTORS®. All funds given are a confidential matter between the recipient and the FTHBAF program. Please do **not** write about the amount of funds received. Additionally, the applicant shall be required to attend a pre-scheduled photo opportunity with others who have received funds during that month.
13. If applicant is related to any member of the TAR FTHBAF committee or if a REALTOR Board member is involved in the deal, that member will recuse them self from the selection process.
14. This is a TAR/MLS REALTOR funded program and priority of funds can be given to applicants that use a TAR or MLS Member.
15. The above are the general guidelines and the Board of Directors of the Telluride Association of REALTORS® may take other criteria into consideration in granting requests.
- 16. The Association Board of Directors retain the right to rescind any approved funds should they become aware of any material information that would have affected the original approval had they been aware of such information at that time or subsequent time, or if any information provided by broker or applicant is deemed inaccurate. The FTHBAF Committee has the right to rescind a board members voting right should they be deemed financially invested for either side or both sides of the FTHBAF applicant's transaction.**
- 17. I _____/(Applicant(s)) and
I _____/(Broker) have reviewed the entire guidelines together and we are aware of any possible outcomes. This sheet must be turned in with the Application.**
