RPAC: WHY I INVEST

REALTORS[®] POLITICAL ACTION COMMITTEE UPDATED MAY 2021

YOUR BEST INVESTMENT

The REALTORS® Political Action Committee (RPAC) is one of the strongest advocacy organizations in the nation. For more than 50 years, RPAC enables us to advocate for REALTOR® interests at all three levels of Government. RPAC is supported by voluntary investments made by REALTORS® and affiliates who understand that it's critical for REALTORS® to have a seat at the policy table.

REALTORS® Advocate for Consumers

CAR's Government Affairs division advocated for consumer rights by:

- Creating more transparency for property owners in HOA fees, property taxes, and the voters in legislative and congressional redistricting process.
- Ensuring consumer awareness about how leased solar installations can affect property transactions.
- Enhancing consumer ability to access homeownership through first time home buyer savings accounts, improved financial literacy, and public policy that promotes the development of additional supply of affordable housing.

REALTORS[®] Understand the Importance of Wildfire Mitigation

Senate Bill 136 continues the Forest Health Advisory Council for an additional five years.

After the 2020 wildfire season and wildfires yet to occur, it's critical that forest health is priority.

IF REAL ESTATE IS YOUR PROFESSION, POLITICS IS YOUR BUSINESS

REALTORS® are hard at work every day protecting your interests at the State Capitol. An investment to RPAC is an investment in real estate.
