 - If your listing becomes unavailable, notify the waitlisted lunch location broker.
 - Collaborate with them to determine who will cover the lunch cost.
- **Catering:**
 - Do not cancel reserved catering.
 - Work with the backup lunch location broker to execute the lunch at the new location.

Each tour will have a designated number of properties and will either have an internal only tour schedule for brokers or a have a half page or full-page ad in the paper for the public.

Deed restricted properties, when indicated by listing agent on open house reservation form, will be highlighted in tour ads by a “Deed Restricted Home for Locals” notation.

Any broker with a property on the tour is encouraged to attend the GM meeting as well as add their tour listing on the Open House reservation tab on Flex for more exposure.

Any broker with a property on a “TAR Sponsored Tour” must follow the TAR opening/closing procedures/policy. The property must be staffed, opened on time, and be open the entire span of the tour hours. Failure to abide by this policy without prior notification to the TAR Office will result in the prohibition of that broker putting a property on the next tour. A second violation in 18 months will prohibit the broker from putting a property on tour for the next three consecutive tours. An alternate penalty on any single violation regarding the tours/GM Meeting is to pay \$100 fine which will be donated to the FTHBAF or Hoot Brown Scholarship, the REALTOR's choice.
